

Farm Woodland Forum Newsletter

The Farm Woodland Forum Newsletter will circulate material of interest amongst Forum members, including for example papers presented at the annual meeting and correspondence. Circulation will be by email where possible, with hard copy for those without access to a computer. General guidelines for the format and submission of articles for the Newsletter are given below.

Guidelines for authors

1. Article length should not exceed 1500 words (or roughly three A4 pages printed in Times New Roman 10 point or equivalent, including figures and tables). We encourage authors to use figures, tables and photographs to illustrate their work where appropriate, bearing in mind the length constraints detailed above.
2. Articles should begin with a short summary. Please also include on a separate page three or four highlights from your article. These should be especially interesting excerpts meant to draw the reader into the article.
3. Please give your full address and telephone/fax/e-mail contact information.
4. References should follow the format used by the journals of the British Ecological Society (Functional Ecology, Journal of Ecology, Journal of Applied Ecology, Journal of Animal Ecology) eg:

Boutin, C. and Harper, J.L. (1991) A comparative study of the population dynamics of five species of *Veronica* in natural habitats. *Journal of Ecology* **79**: 199-221.

Journal titles should be given in full.
5. Please use SI units and follow standard algebraic conventions in equations (eg use single letters or symbols to denote parameters rather than abbreviations).
6. Articles (and figures) should be submitted electronically (preferably by e-mail attachment to f.l.sinclair@bangor.ac.uk). The postal address (for submission of articles on floppy disk) is: Fergus L. Sinclair, SAFS, University of Wales, Bangor, Gwynedd LL57 2UW, UK. Tel/fax: 01248 382459. General enquiries about copy dates of future issues of the Newsletter, formatting of articles, etc. should be submitted to Michelle Jones (michelle.jones@bangor.ac.uk; 01248 383738).
